

## Brighton Bowmen "252" IMPROVEMENT AWARD

The 252 award is designed to help you practice your shooting at different distances and recognise your achievements. After 6 sighters, you shoot 3 dozen arrows on a 122cm face at your chosen distance. The round can be shot at 20, 30, 40, 50, 60, 80 or 100 yds with the aim of scoring 252 or better (alternative scores apply for other bow types). If you achieve the score twice you can claim a badge.

It is an award scheme in use at many archery clubs in the UK and applies to all archers, irrespective of age, ability or bow type (scores differ by bowtype).

The Rules:

- Six sighters to be followed immediately by three dozen scored arrows.
- 5-zone scoring (Gold = 9, Red = 7, Blue = 5, Black = 3, White = 1) using a 122cm target face.
- The three dozen arrows are shot.
- There is no restriction on the order of distances in which badges are obtained (i.e. a 30yd badge may be obtained before a shorter distance is attempted, which may then be obtained at a later date).
- Scores need to be achieved twice to qualify for the award.
- You can only claim one 252 score per day.
- To make an award claim 2 signed and witnessed score sheets needs to be submitted.

- The awards are as follows:

Distance (yds)	Recurve Score	Compound Score	Longbow Score	Barebow Score
