All children and young adults must be accompanied by a parent/guardian/responsible adult.

Contact: phone 07808 590216, e-mail secretary@brightonbowmen.org.uk.

A bit of background

Brighton Bowmen is a closed club, founded in January 2011 to enable archers in Brighton and the neighbouring areas to shoot at St Aubyns School during the indoor season.

The club is run on a non-profit basis. Its committee comprises three old farts with a combined age approaching 200, who should know better than to get involved with running an archery club; but then who ever really believed that age is accompanied by wisdom? Other than this geriatric trio, the club has no members. Its purpose is purely and simply to provide an archery facility in Brighton at reasonable cost.

Our indoor range can accommodate up to 16 archers. We're not anticipating being trampled in the rush to the hall, but it's probably worth your while contacting us before you turn up to check that places are available. Regardless of your age, experience or skill level, you're welcome to shoot with us this Autumn and Winter.

We look forward to meeting you one evening soon.
